

THE COLOR CODE

Presentation

Directions: Now that you have learned about your own personality, you will take this new knowledge and create a PowerPoint presentation about yourself. Collect items that represent who you are based on your color (strengths and limitations) personality. You will give a 2 minute presentation explaining who you are based on your color (strengths and limitations) personality.

Steps:

1. Identify 5 strengths and 5 limitations that best represent who you are
2. Gather images, stories, or examples that help support the 5 strengths and 5 limitations
3. Use Microsoft PowerPoint to create a visual presentation about you and your color personality
4. Include the following:
 - ✓ Title Slide
 - ✓ Additional slides that represent your color personality
 - ✓ Word Art
 - ✓ Clip Art or Pictures
 - ✓ Slide animations and transitions

Tips:

- Use statements, not sentences
- Use keywords to help the audience focus on your message
- Include images that make issue more true to life
